Dear Local Democrat,

Because of your years as a registered Democrat and your excellent record of voting in every election, you are invited to join the leadership team of the 28th Assembly District of the California Democratic Party. We need responsible voters like you to serve as Democratic Precinct Captains.

Getting Democrats out to vote is critical now as Democratic values are under serious attack on the local, state, and national levels. The recall election has little to do with our Governor; it's a recall of our Democratic agenda by Republicans who cannot win a regular election. It's a costly way to conduct partisan attacks, and it's creating chaos and instability in our state just when Wall Street is fluctuating with unprecedented devaluation of California bonds. The San Francisco Chronicle obtained a memo outlining "a Republican strategy to oust Governor Gray Davis and help President Bush before the 2004 presidential election" that "clearly suggests the imprimatur of the White House."

Without your help, this right-wing strategy to bring Bush values to California will prevail. Personal contact is the most effective way to inspire other like-minded voters to participate in the democratic process. As a precinct captain, you'll help us win in the next two elections by making a personal contact (either in person or by phone) with every Democrat in your precinct. Team up with other grassroots Democrats and turn your neighborhood into a swarm of voters ready to work for Democratic victories. Please join the Precinct Captains team organized by the 28th Assembly District Committee of the California Party by contacting

Assemblymember Simone Salinas
